

maine pedestals

. . . . engineered for strength, designed for elegance

Maine are part of the prestigious Milton Keynes Pressings Group (MKP), therefore engineering excellence and a commitment to developing innovative product ranges is ensured. Maine Pedestals are designed and precision engineered with a one piece of steel wrap, this ensures smooth, clean lines, with inherent strength.

The elegant style of the Maine Pedestals complements all desks and workstations, they are designed to coordinate with the current demand and trend for slimmer, stylish office furniture. Pedestals form an important function within the office, they need to have the flexibility to store media, office filing and personal items. Maine have designed their pedestal to be both flexible and secure, with a range of internal configurations and sizes.

Maine Pedestals can be finished in any colour including standard ranges of BS, RAL, Pantone, Dulux Colour Dimensions and specialised paint finishes.

Maine Pedestals are 98% recyclable with 40% recycled previously. Manufactured in the UK.
