

maine personal storage units

. . . . secure personal storage for the modern office

Maine are part of the prestigious Milton Keynes Pressings Group (MKP), therefore engineering excellence and a commitment to developing innovative product ranges is ensured. Maine Personal Storage units (Maine PSU) are designed to encourage a clean desk philosophy, which results in a more productive and efficient office. The mobile units also allow for a more flexible working pattern.

Maine PSU comprises, mobile units, lockers and towers, locked individually or keyed alike, they allow flexible working methods and personal security. Internal configurations combine office filing with the increasing requirement for secure personal storage such as; cycling gear, laptops, ipods, handbags and briefcases.

All of the Maine PSU range is manufactured to the same exacting high standard as their successful Maineseries31, Mainestream and Mainepure ranges. The Maine PSU range can be finished in any colour including standard ranges of BS, RAL, Pantone, Dulux Colour Dimensions and specialised paint finishes.

Maine PSU are 98% recyclable with 40% recycled previously. Manufactured in the UK.
